

# Spyglass Gardens IIc Gardening Workshop 2025

3445 South Linder Road Meridian, Idaho

[www.spyglassgardens.com](http://www.spyglassgardens.com)

**March 8, 2025 9am to 3pm**

Steve and Wendy are excited to share their 25 years of Growing All Natural. Their class will consist of 5 parts with a snack break and a healthy lunch with lite beverages.

- Fundamentals of Gardening
- \$80 per person , Current Spyglass CSA Members \$70 per person . Spouses welcome at no extra charge - Limited seating, register asap!
- Registration and Prepayment Required - checks, cash, cards or venmo
  - Contact Wendy 209-991-7317
  - **What will you receive and take from this class?**

Each paid registration will receive a copy of The Vegetable Gardener's Bible, a Spyglass favorite. Field book and seed starter kit with a variety of seeds.

Discussions of: What will I Grow? Agronomy (soil science), Entomology (good bugs, bad bugs) , mapping your garden space using raised beds or conventional means, companion planting and beneficial pollinators. A section on record keeping and why, will wrap up the day.
